Art. 1 Illness, accident, maternity

- 1.1 Illness is defined as any impairment of physical or mental health not resulting from an accident and which requires medical examination or treatment, or which leads to work incapacity.
- 1.2 An accident is defined as any sudden, unintentional, harmful effect of an unusual external factor on the human body. Whether or not each benefit is insured in case of accident is indicated in the policy.
References to illness in the General Insurance Conditions also apply to accidents by analogy.
- 1.3 The rules governing benefits for maternity are set out in Article 9.5.

Art. 2 Contract term and termination of insurance cover

- 2.1 The contract term is indicated in the policy. The insurance is then renewed tacitly for a further year at a time.
- 2.2 When the contract ends, the Household Expenses Insurance can be terminated in writing by either contracting party with effect from the end of each insurance year, subject to a three-month period of notice. Claims for benefits being processed at the time of termination will still be due for payment.
- 2.3 When a claim occurs for which CSS is liable, the insured person is entitled to terminate the insurance in writing. CSS, however, expressly waives its right to terminate the insurance in the event of a claim.
- 2.4 In the case of changes in premiums and in the General Insurance Conditions, Article 6 applies.
- 2.5 The insurance expires:
- if the legal place of residence is moved abroad;
 - during temporary stays abroad of more than one year, with effect from the end of the insurance year.

Art. 3 Premium refund

If the contract is terminated before the expiry date, CSS refunds a proportion of the premium paid other than when:

- the insured person terminates the contract in the first insurance year following a claim for benefits;
- the insured person has breached contractual obligations with the intention of deceiving the insurer.

Art. 4 Substitute policy

If a contract is issued to replace an earlier CSS Versicherung AG contract, limited benefits drawn previously under the original policy will be taken into account in calculating future benefits.

Art. 5 Arrears in payment by the policyholder

Interest on arrears applies 30 days after the due date for payment of invoices for premiums, co-payments and other payments.

Art. 6 Change in premium rates and in the General Insurance Conditions (AVB)

- 6.1 CSS can adjust the contract if the premium rates change.
- 6.2 CSS informs the insured person of any changes no later than 25 days before the end of the insurance year.
If the insured person does not consent to the changes, the contract may be terminated. Notice to terminate the insurance is valid if it is received by CSS at the latest on the last day of the insurance year. If CSS does not receive any notice to terminate the insurance within 25 days of informing the insured person about the changes, this is considered as indicating his acceptance.

Art. 7 Change of tariff age group

- 7.1 CSS can adjust premiums when the following tariff age groups begin:

16–25 years old	46–50 years old
26–30 years old	51–55 years old
31–35 years old	56–60 years old
36–40 years old	61–65 years old
41–45 years old	

- 7.2 If the premium is adjusted because the insured person is assigned to a higher tariff age group, the insured person is entitled to terminate the insurance.

Art. 8 Change of residence

CSS must be informed immediately of any change of residence. If this change leads to a change in premium, CSS will adjust the subsequent premiums accordingly. Such a change does not justify termination.

Art. 9 Scope of benefits

- 9.1 CSS pays the additional household and family costs incurred by the person who runs his own household as the result of insured work incapacity.
- 9.2 The insured maximum daily amount and waiting period are shown in the policy. The waiting period applies to a continuous period of work incapacity.
- 9.3 The total benefit period is 365 days within five years. Days for which the insured person receives indemnities calculated on the basis of partial work incapacity count as full days. Waiting periods are offset against the benefit period.
- 9.4 In the event of medically certified partial work incapacity of at least 50%, a pro rata daily maximum amount is available for the additional costs, in accordance with the degree of work incapacity.
- 9.5 During the period from eight weeks before the birth to eight weeks after the birth, 30 daily household indemnities are available for the additional costs, provided the pregnancy starts after the beginning of insurance of these benefits. The waiting period is not offset against the 30 days. The daily amounts paid are not offset against the full benefit period of the Household Expenses Insurance.

Art. 10 Expiry of the insurance

The Household Expenses Insurance expires on completion of the full benefit period, but at the latest on reaching AHV retirement age.

Art. 11 Claim for benefits, notification, claiming entitlements

- 11.1 If the contract ends, entitlement to benefits expires after a continuous period of 30 days at the latest.
- 11.2 Entitlements must be claimed immediately.
- 11.3 To claim entitlements, the original invoices and medical certificates indicating the specific services provided and their justifications must be submitted to CSS.

Art. 12 Exclusions, benefit restrictions**The insurance does not cover**

- 12.1 statutory benefits, in particular those in accordance with the KVG and UVG;

- 12.10 Benefits in accordance with Art. 9.5 cannot be aggregated with other illness-related benefits under this insurance.

Art. 13 Benefit reductions

CS waives its right to reduce the insurance benefits if an event is caused by gross negligence. However, no payment will be made to substitute benefit reductions from other insurance plans.

Art. 14 Coordination of benefits with social insurers and other insurers

- 14.1 In the case of claims for which a UVG insurer, the Federal military insurance (MV) or Federal disability insurance (IV) is liable to pay benefits, within the scope of the insured benefits CSS pays only that part of the benefits not covered by these insurers.
- 14.2 In the case of double or multiple insurance, CSS will prorate its benefits in accordance with the statutory provisions.
