

myFlex Hospitalisation Insurance.

Outpatient hospital treatment.

More and more surgeries and procedures are being performed on an outpatient basis, i.e. without an overnight stay in hospital. CSS insurance wants its our insurance to reflect this fact, and therefore offers you exclusive additional benefits under our myFlex Hospitalisation Insurance. It ensures that you can enjoy greater comfort and more privacy during any outpatient procedure.

Benefits	myFlex Balance Hospitalisation Insurance	myFlex Premium Hospitalisation Insurance

Offer conditions

- Available only to those insured under myFlex Balance or myFlex Premium Hospitalisation Insurance
- CSS maintains a list of partner clinics. The outpatient procedure must be carried out at a CSS partner clinic
- Benefits are connected with outpatient treatment in Switzerland, and the services must be used immediately before or after an outpatient procedure
- The procedure in question must be one that is only covered if carried out on an outpatient basis (in accordance with the Federal Office of Public Health or cantonal list)
- To claim your reimbursement, please use the "Outpatient hospital treatment reimbursement" form
- The lists of CSS partner clinics and outpatient procedures, as well as the reimbursement form, can be found at www.css.ch/oni
